CollegeWell and Private College 529 Plan (the Plan) is established and maintained by Tuition Plan Consortium, LLC (TPC). This material is provided for general and educational purposes only, and is not intended to provide legal, tax, or investment advice, or for use to avoid penalties that may be imposed under U.S federal tax laws. Intuition College Savings Solutions, LLC (Intuition) is the Plan Administrator. Participation in the Plan does not guarantee admission to any college or university.

Tuition Certificates are neither insured nor guaranteed by the FDIC, TPC, any government agency, Intuition or their respective subcontractors and affiliates. However, Tuition Certificates are guaranteed by colleges and universities solely for tuition and mandatory fee credits. Tuition certificates must be held for at least 36 months from the issue date before they can be redeemed to pay for tuition at a participating school. The issue date is the first date during a plan year that a purchase of a Tuition Certificate is made. Please read the Disclosure Statement and Enrollment Agreement carefully and consider your financial objectives and risks before purchasing a Tuition Certificate. TPC, Intuition and their respective subcontractors and affiliates do not provide financial, legal or tax advice. Contact your attorney or other advisor regarding your specific legal, investment or tax situation.

Private College 529 Plan assets can be used to pay any qualified expense at any college or university, public or private. The tuition guarantee applies only to participating institutions. Outside the network, the value of the account is calculated as your total contributions adjusted for net investment returns subject to a maximum increase of 2 percent per year or a maximum loss of 2 percent per year, compounded annually. If the refunded amount is not used to pay qualified education expenses, the earnings portion will be subject to federal income tax and an additional 10 percent penalty.
